Prerequisites SOC 110, SOC 120(GS)

Contact time 1 tutorial per week, 3 lectures per week

Language of tuition Module is presented in English

Department Sociology

Period of presentation Semester 2

Module content

Culture and religion in the construction of identities: Gender, sexuality and race

The global proliferation of identities is explored through the lens of social categories of difference. The convergence of ideologies and institutions in the construction of identities at the intersections of gender, sexuality and race is examined with a particular emphasis on modern African identities, drawing on the sub-disciplines of the sociology of religion and cultural sociology.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
