Prerequisites	No prerequisites.
Contact time	2 lectures per week, 3 practicals per week
Language of tuition	Module is presented in English
Department	Historical and Heritage Studies
Period of presentation	Semester 2

Module content

Students, guided by the programme coordinator are to choose an area of specialisation from those available at the University of Pretoria. The introductory principles of remedial conservation will be explored within the chosen area of specialisation, from treatment options and evaluation with final decision-making processes for appropriate treatment options for cleaning, stabilisation and conservation of artefacts.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
