<b>Period of presentation</b>	Year

### Module content

Case studies are utilised to introduce students to veterinary law and ethics, professional associations, the veterinary team and collegiality. Personal and professional wellness is addressed within these contexts and veterinary communication skills are further developed, including conflict management and negotiation skills. The integration of clinical and communication skills is introduced.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
