Faculty [Faculty of Humanities](#)

Module credits 30.00

Prerequisites YSP 220

Contact time 3 lectures per week

Language of tuition Afrikaans and English are used in one class

Department Sport and Leisure Studies

Period of presentation Semester 1

Module content

In this module higher order thinking abilities and skills to critically analyse different social settings and issues in sport are developed. Social dynamics, theories and research related to sport, exercise and performance contexts are interpreted and implemented in sports contexts. Specific psycho-social aspects of team cohesion, the role of spectators, aggression and violence and other contemporary social issues in sport are discussed and critiqued.
