Other programme-specific information

Alternative option for completion

Students who have passed all the modules in the first year of the five-year BMus programme may apply for transfer to the second year of study in the BEd programme, provided the requirements for this programme, as stipulated in the yearbook, are met.

Please note the following:

- MME 400 can only be taken if the first instrument is piano, violin, jazz or classical voice.
- MEI 403 is performing art, with a public concert of 1 hour in the second semester.
- The choice of instrument is based on the availability of an appropriate teacher. The University does not accept responsibility for providing a lecturer of these instruments where teaching costs exceed the normal.
- In order to be admitted to MTI 100 (Second instrument) in any instrument other than percussion, organ, harpsichord or singing, a student should have reached at least UNISA Grade V or a comparable standard in that instrument; in the case of organ, harpsichord, percussion and singing, admission is at the discretion of the head of the department.

Foundation in Practical music

Students choose a first and a second instrument from the following: Voice, piano, keyboard, organ, harpsichord, violin, viola, cello, double bass, flute, oboe, clarinet, bassoon, French horn, trumpet, trombone, tuba, percussion, harp, guitar, recorder, saxophone and ensemble. Jazz and/or classical streams are allowed, according to availability.

Attendance modules

- i. In addition to the modules mentioned in the learning programme, students are obliged to attend the weekly recital classes and seminars.
- ii. It is compulsory for all music students to be a member of a departmental ensemble, choir and/or the UP Symphony Orchestra and UP Symphonic Wind Orchestra.
- iii. Unsatisfactory attendance at the performance classes, seminars and compulsory ensembles and choirs as stipulated under (i) and (ii), may, at the discretion of the head of the department, lead to a lowering of the student's practical or any one academic module's year mark.

Promotion to next study year

Students selected for the BMus five-year degree must pass all the modules at the end of the first year of study. The registration of students who do not comply with this requirement, will be suspended and no readmission will be considered, in which case a foundation certificate of attendance might be a possibility. Students will only be promoted to the second year of study, or be eligible for admission to the second year of the BEd programme, after successful completion of all the first-year modules.
