

# University of Pretoria Yearbook 2020

## MSc Genetics (02250535)

**Minimum duration of study** 1 year

**Total credits** 180

**NQF level** 09

### Programme information

The MSc degree is conferred on the grounds of a dissertation and such additional postgraduate coursework as may be prescribed.

#### Renewal of registration

As long as progress is satisfactory, renewal of the registration of a master's student will be accepted for the second year of the study. Registration for a third and subsequent years will only take place when the Student Administration of the Faculty receives a written motivation that is supported by the relevant head of department and Postgraduate Studies Committee.

#### General

Candidates are required to familiarise themselves with the General Regulations regarding the maximum period of registration and the requirements on the submission of a draft article for publication.

### Admission requirements

- An appropriate BScHons degree
- A final grade point average of at least 60% for the preceding degree or on recommendation from the head of department
- Preference will be given to applicants with the highest final grade point averages for their preceding degree.
- Applicants may be subjected to an entrance evaluation examination.

### Other programme-specific information

Additional modules may be prescribed by the head of department where deemed necessary.

### Promotion to next study year

The progress of all master's candidates is monitored biannually by the supervisor and the postgraduate coordinator. A candidate's study may be terminated if the progress is unsatisfactory or if the candidate is unable to finish his/her studies during the prescribed period.

Subject to exceptions approved by the Dean, on recommendation of the relevant head of department, and where applicable, a student may not enter for the master's examination in the same module more than twice.

## Pass with distinction

The MSc degree is conferred on the grounds of a dissertation and such additional postgraduate coursework as may be prescribed.

### **Renewal of registration**

As long as progress is satisfactory, renewal of the registration of a master's student will be accepted for the second year of the study. Registration for a third and subsequent years will only take place when the Student Administration of the Faculty receives a written motivation that is supported by the relevant head of department and Postgraduate Studies Committee.

### **General**

Candidates are required to familiarise themselves with the General Regulations regarding the maximum period of registration and the requirements on the submission of a draft article for publication.

## Curriculum: Final year

### Core modules

Dissertation: [Genetics 890](#) (GTK 890) - Credits: 180.00
