### Admission requirements

A candidate can be admitted if he/she holds one of the following:

- Bachelor's degree and a Teacher's Diploma/Postgraduate Certificate in Education [e.g BA + HED]; or
- a four-year composite degree in Education [e.g. BA(Ed)]; or
- an M+4 appropriate Teacher's Diploma subject to specific approval and an appropriate Advanced Diploma in Education.

### Additional requirements

Selection is based on:

- Meeting the minimum academic requirements required for admission;
- Previous academic performance;
- Applicable academic and/or teaching background;
- Availability of supervision for the required research project;
- Proven academic potential which may include academic communication and computer application skills;
- Additionally, an interview may be requested;
- The requirements of professional registration bodies;
- The discretion of the head of department.

### Examinations and pass requirements

Subject to exceptions approved by the Dean, on the recommendation of the relevant head of department, a student may not sit for an examination for the honours degree more than twice in the same module.

A final-year student who has failed a maximum of three semester modules or their equivalent, with a final mark of at least 40% in each, may be admitted by the Dean to a special examination/s in these modules during January of the following year, provided that this will enable the student to comply with all the requirements for the degree.

### Research information

A research project is compulsory and must be handed in for examination, as prescribed by the particular department.

## Pass with distinction

The degree is conferred with distinction on a student who has obtained an average of at least 75%, with a minimum of 70% in each module.
