

University of Pretoria Yearbook 2020

BScHons Aerospace Medicine (10244024)

Minimum duration of study 2 years

Total credits 120

NQF level 08

Programme information

The following requirements are set:

- Advanced instruction by means of self-tuition, lectures and seminars.
- Students must pass the module TNM 700 Applied research methodology 700.
- Students must pass the module PHM 770 Learning in public health 770.
- Students must pass a research report (or project) that carries at least 30 credits.

Admission requirements

- Candidates must have an MBChB or equivalent degree deemed acceptable by the head of the department.
- Candidates must be registered Aviation Medical Examiners.
- Admission is subject to the approval of the head of department: with the proviso that a candidate who has obtained an average of less than 60% in the modules of his or her major subject in the final year of the bachelor's degree study may be admitted only with the Dean's approval on the recommendation of the head of department.
- Additional requirements may be set by the head of department.

Additional requirements

- Candidates must have an MBChB or equivalent degree deemed acceptable by the head of the department.
- Candidates must be registered Aviation Medical Examiners.

Examinations and pass requirements

- i. The individual modules in each field of study must all be passed with a mark of at least 50% in each module, before a student may graduate in that field of study.
- ii. Each field of study has a specified, externally moderated, summative assessment that must also be passed before the student may graduate.

Pass with distinction

The degree is conferred with distinction on a student who has obtained an average of at least 75% in the summative assessment, as well as an average of at least 75% for the remaining components of the

curriculum (i.e. excluding the summative assessment mark).

Curriculum: Final year

Minimum credits: 120

The contact time for the research component LRG701 will comprise 16 hours during the 3 contact weeks.

This honours degree cannot be completed in less than two (2) years.

Core modules

Primary epidemiology 773 (HME 773) - Credits: 10.00

Aerospace medicine 700 (LRG 700) - Credits: 75.00

Research report: Aerospace medicine 701 (LRG 701) - Credits: 30.00

Learning in public health 773 (PHM 773) - Credits: 5.00

Applied research methodology 700 (TNM 700) - Credits: 0.00
