

University of Pretoria Yearbook 2020

MOccTher Activity Theory (Coursework) (10258052)

NQF level	09
Minimum duration of study	2 years
Total credits	180

Admission requirements

- The Bachelor's degree in Occupational Therapy or an equivalent qualification.
- Registration as occupational therapist with the Health Professions Council of South Africa.
- A student must have at least one year clinical experience in the proposed field of study (Community service year excluded).
- A student must hold at least a 15 hours per week position for the duration of study deemed applicable to the proposed field of study by the head of department.
- Fields of specialisation for the MOccTher degree with coursework are offered on an annual basis if at least five applicants apply for admission to a particular field of specialisation.
- Applicants will be notified as soon as possible after the closing date whether or not a particular field of specialisation will be presented in the subsequent year.

Additional requirements

Also consult the General Regulations.

Note:

Students must register for, and attend (TNM 802) Applied research methodology 802 satisfactorily. (Exemption will be granted if the module, BSN 701 Biostatistics and research methodology has been passed for the BOccTherHons degree.)

Examinations and pass requirements

- i. A continuous evaluation mark of at least 50% is required for admission to the examination in the major subject.
- ii. The sequence of the examinations in the prerequisite subjects will be determined by the relevant head of department according to the major subject followed by the student.
- iii. In order to pass, a subminimum of 40% in the written and/or practical and/or clinical sections of the examination, and a final mark of at least 50%, is required in the major as well as the prerequisite subject.

Pass with distinction

The degree is conferred with distinction on a student who has obtained at least 75% in the major

subject, and an average of at least 65% in the prerequisite subjects.

Curriculum: Year 1

Minimum credits: 180

Fundamental modules

Occupational therapeutic anatomy 805 (AAN 805)

Module content:

Applied clinical anatomy of structures and systems as set out in the study guide for postgraduate anatomy courses.

Module credits	24.00
Prerequisites	No prerequisites.
Contact time	1 discussion class per week, 1 other contact session per week, 1 seminar per week, 4 lectures per week
Language of tuition	Module is presented in English
Department	Anatomy
Period of presentation	Year

Physiology 882 (FSG 882)

Module credits	15.00
Contact time	1 lecture per week
Language of tuition	Module is presented in English
Department	Physiology
Period of presentation	Year

Core modules

Occupational therapy 805 (OTX 805)

Module content:

An in-depth study of (i) classification, development of activity participation and its influence on health; (ii) biopsychosocial perspectives on activity participation.

Module credits	68.00
Language of tuition	Module is presented in English
Department	Occupational Therapy
Period of presentation	Year

Mini-dissertation: Occupational therapy 891 (OTX 891)

Module credits	60.00
Language of tuition	Module is presented in English
Department	Occupational Therapy
Period of presentation	Year

Applied research methodology 802 (TNM 802)

Module content:

*Attendance module only.

Module credits	0.00
Language of tuition	Module is presented in English
Department	Health Sciences Deans Office
Period of presentation	Year

Curriculum: Final year

Minimum credits: 180
