Programme information

The Master of Interior Architecture (Professional) is done by coursework, a design investigation mini-dissertation and design project and discourse.

Refer to General Regulations G.30 to G.40 and G.50 to G.54.

Admission requirements

- A Bint Hons degree; or an equivalent degree that includes spatial design at NQF level 8 (or NQF level 7 for qualifications obtained before 2009).
- The departmental Postgraduate Committee may require an evaluation in fields of knowledge and registration for additional modules for non-degree purposes.
- An applicant who has completed a Bint Hons degree at the University of Pretoria with a minimum average of 60% for all modules in the honours curriculum (completed in the same academic year) will be granted admission into this degree.
- All other applicants must have practical experience and/or a record of an extended study excursion, submit a portfolio and design journal, and are interviewed for selection.
- A limited number of applicants are admitted to this degree. Refer to the departmental website for guidelines.

Other programme-specific information

Design topic

The topic of the final design project (DIT 803 & DPD 803) must be approved by the relevant head of department.

Awarding of degree

The degree is awarded to those students having obtained the prescribed credits. Those students admitted with conditions must comply with all of these before all the 700 series module credits and the degree are awarded.

Examinations and pass requirements

The minimum pass mark is 50%. A minimum of 40% is required in the examination, with a minimum final mark of 50% to pass. If a module is not evaluated by examination, a minimum coursework mark of 50% is required.

If the module is not evaluated by coursework, a minimum examination mark of 50% is required.

Research information

General Regulation G.39.12 applies with regard to the required publication.

Pass with distinction

The degree is conferred with distinction on those students registering for the first time and obtaining a distinction (75%) simultaneously for both the Design investigation mini-dissertation (DIT 803) and the Design project and discourse (DPD 803) with the proviso that the degree is completed within the minimum prescribed time and all other final-year modules are passed on first registration.

Curriculum: Final year

Core modules

[Continuing practice development 810](#) (CPD 810) - Credits: 15.00

[Design investigation 803](#) (DIT 803) - Credits: 75.00

[Mini-dissertation: Design project and discourse 803](#) (DPD 803) - Credits: 90.00

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
