

University of Pretoria Yearbook 2020

MSc Applied Science Industrial Systems (12253060)

Minimum duration of study 1 year

Total credits 180

NQF level 09

Programme information

The master's degree is conferred on the basis of a dissertation (180 credits).

Admission requirements

- An appropriate BSc Hons degree (or equivalent). The applicant must have passed this degree with a weighted average of at least 65%.
- The departmental Postgraduate Committee may require additional honours modules for non-degree purposes where background is insufficient.
- The departmental Postgraduate Committee may request evidence of knowledge of research methodology.
- The departmental Postgraduate Committee reserves the right to make a thorough assessment of the applicant's academic transcript and CV, and to decide if the applicant is suitable for postgraduate studies. This assessment may include an oral or written entrance examination.
- The applicant must determine the research group/focus area and a potential supervisor and confirm the potential supervisor's availability (see departmental website for research groups and heads of research groups). Admission will be granted only if the intended research fits in with the research foci of the Department and the supervision capacity exists, as decided by the Head of the Department.

Other programme-specific information
