### Module content

Knowledge creation is a hallmark of a Master's degree and the integrative business research project provides you with an opportunity to apply theories and concepts that you have learned in the core courses to a business problem and also to gain experience in planning and implementing a complex research project. It thus serves as a capstone of the MBA learning experience.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
