<b>Contact time</b>	28 contact hours per 3 week cycle
<b>Language of tuition</b>	Module is presented in English
<b>Department</b>	Gordon Institute of Business Science
<b>Period of presentation</b>	Semester 2

### Module content

This elective will introduce students to the importance of industrialisation to Africa, as well as the many challenges impacting on the necessary development of the manufacturing sector in Africa. Positioning Africa within the globalised context of developed industrialised economies and rapidly industrialising developing economies in Asia, the course uses a number of case studies to unpack the central challenges of building successful manufacturing sectors on the continent.
