| Period of presentation | Semester 2 |

Module content

The elective will focus on the contemporary emerging thoughts and theories surrounding the knowledge economy. After attending this elective, students will apply the necessary tools and frameworks to develop strategies which will assist in bridging the gap between information systems and the information managers. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
