### Module content

This elective looks at the importance of managing stakeholders through focusing on the possible ways to minimise threats and as well as maximise opportunities. Students will be exposed to the contemporary issues that surround the factors that impact on stakeholder management as well as the factors that assist in building these relationships. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
