### Module content

International business is subject to many international laws and regulations. This module deals with the international regulatory bodies such as the WTO, UN and international agreements governing cross-border trade and investment. This module will also deal with legislation and regulations governing financial transactions or investment.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
