### Module content

This module aims to guide students to read existing research and especially theories in an appreciative manner. They need to identify the main theories explaining a real-world challenge of their choice, and to explain how the theories have been used.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
