No prerequisites.
21 Hours
Module is presented in English
Gordon Institute of Business Science
Semester 1 or Semester 2

## **Module content**

This module will offer offers students a holistic insight into the process and skills of making strategic decisions in the context of new economies. Armed with an array of strategic options, students must be able to evaluate the adequacy of a given strategy, using deterministic, stochastic, financial and ethical decision-making capabilities.

The information published here is subject to change and may be amended after the publication of this information. The **General Regulations** (**G Regulations**) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the **General Rules** section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
