### Module content

\*Closed – only for BDram students

\*This module offers a choice between intermediate digital media and presenting for the media

Intermediate digital media

This module explores the use of technology and media in film and theatre through a conceptual engagement with notions of intermedial performance and frameworks of non-fiction filmmaking. Selected case studies guide an interrogation of intermedial performance theory while also engaging with image ontologies.

or

Presenting for the media

This module will focus on advanced radio techniques and TV presentation within the broader context of the South African digital media practices.
