Module content

In this module, students will be exposed to various models of therapeutic intervention, as well as models of therapy integration. The aim is to equip students with knowledge and skills to enhance psychological well-being as well as address psychological distress.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
