Module content

The module will allow students to engage with the theoretical framework/s and concepts of the sociology of organisations. Themes that will be covered include the changing nature of organisations, how the latter has been structured by different forms of capitalist accumulation and labour processes, changing organisational forms, organisational cultures, gender, power, conflict and leadership.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
