Performing arts management

In this module students will be introduced to the current state of the performing arts in South Africa. Students will explore the language and technical aspects of theatre. It includes the processes involved with creation and performance of theatre productions. Focus will be placed on the ways in which the creative vision of the director is supported and manifested, to consolidate the aesthetical quality and conceptual framing of the production. The skills and responsibilities of the technical and creative theatre practitioners will be explored and put into context.
