## Programme information

This programme is coordinated in the Department of Agricultural Economics, Extension and Rural Development. The MSc degree is conferred on the grounds of a dissertation and such additional postgraduate coursework as may be prescribed.

## Renewal of registration

As long as progress is satisfactory, renewal of the registration of a master's student will be accepted for the second year of the study. Registration for a third and subsequent years will only take place when the Student Administration of the Faculty receives a written motivation that is supported by the relevant head of department and Postgraduate Studies Committee.

## General

Candidates are required to familiarise themselves with the General Regulations regarding the maximum period of registration and the requirements on the submission of a draft article for publication.

## Admission requirements

1. BScHons degree with economics or environmental economics and statistics or BScAgric degree with economics and statistics or BScAgric (Agricultural Economics) (or equivalent) or relevant bachelor's degree or relevant honours degree
2. A weighted average of at least $65 \%$ at honours level

## Promotion to next study year

The progress of all master's candidates is monitored biannually by the supervisor and the postgraduate coordinator. A candidate's study may be terminated if the progress is unsatisfactory or if the candidate is unable to finish his/her studies during the prescribed period.
Subject to exceptions approved by the Dean, on recommendation of the relevant head of department, and where applicable, a student may not enter for the master's examination in the same module more than twice.

## Pass with distinction

The MSc degree is conferred with distinction to candidates who obtain a final average mark of at least $75 \%$ and a mark of at least $75 \%$ for the dissertation/mini-dissertation from each of the members of the examination panel. Where a member of the examination panel awards a mark of less than $75 \%$ for the dissertation/mini-dissertation, that member of the examination panel must offer, in writing, support for his/her decision, or indicate in writing that he/she supports the examination committee's decision to confer the degree with distinction.
