### Module content

AAC intervention for adults with severe disabilities resulting from both congenital and acquired conditions, will be followed in this module. At the end of this module, the student must be able to describe and implement appropriate AAC strategies for adults with a variety of abilities and integrate AAC implementation within contexts such as adapted vocational and recreation settings.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
