

# University of Pretoria Yearbook 2022

## Small animal behaviour and welfare 702 (ANW 702)

|                               |                                                                                             |
|-------------------------------|---------------------------------------------------------------------------------------------|
| <b>Qualification</b>          | Postgraduate                                                                                |
| <b>Faculty</b>                | <a href="#">Faculty of Veterinary Science</a>                                               |
| <b>Module credits</b>         | 30.00                                                                                       |
| <b>NQF Level</b>              | 08                                                                                          |
| <b>Programmes</b>             | <a href="#">PGDip (Animal Welfare)</a><br><a href="#">PGDip (State Veterinary Medicine)</a> |
| <b>Prerequisites</b>          | No prerequisites.                                                                           |
| <b>Contact time</b>           | 70 contact hours                                                                            |
| <b>Language of tuition</b>    | Module is presented in English                                                              |
| <b>Department</b>             | Companion Animal Clinical Studies                                                           |
| <b>Period of presentation</b> | Year                                                                                        |

### Module content

Theoretical and practical training in assessment of welfare of dogs and cats in various contexts including shelters and dog population control. Formulation and implementation of appropriate strategies to comply with relevant standards.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
