

University of Pretoria Yearbook 2022

Infectious and chronic diseases 384 (CMP 384)

Qualification Undergraduate

Faculty [Faculty of Health Sciences](#)

Module credits 36.00

NQF Level 07

Programmes [BCMP](#)

Prerequisites CMP 281, CMP 282, FAR 280

Contact time 2 discussion classes per week, 4 seminars per week, 5 practical per week

Language of tuition Module is presented in English

Department Family Medicine

Period of presentation Year

Module content

Theory and skills in respect of the disease prevention, diagnosis and treatment of infectious diseases by means of group discussions, self-tuition and practical sessions in the hospital and skills laboratory. A problem-oriented and interdisciplinary approach is emphasised. Emphasis is placed on the diagnosis and treatment of the most prominent conditions as well as the acquiring of practical and clinical skills.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
