Module content

Oualification

Programmes

Literature studies and seminar presentations on topics in food science, nutrition and health. The proposed seminar topics cover aspects of food science, nutrition and health that are of relevance in addressing the UN Sustainable Development Goals (#1, 2, 3, 6 and 7).

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The General Academic Regulations (G Regulations) and General Student Rules apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
