Module content

Strategic management is the art and science of formulating, implementing and evaluating cross-functional decisions that will enable the student to achieve its objectives. It involves the strategic thinking, systematic analysis of factor affecting the organisation, identification and clarification of objectives, nurturing policies and strategies to achieve these objectives, and acquiring and making available resources to implement the policies and strategies to achieve objectives.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
