Module content

The aim of the course is to provide a sound understanding of valid strategic reasons for considering a merger or acquisition transaction. The focus will further be on insights into the factors that influence success and failure in M&A; an overview of the various forms that M&A can take – outright acquisition or partnering; create an appreciation of the implications of globalisation, and in particular investment in emerging markets and give students an understanding of the M&A process, including the regulatory framework within which deals are concluded.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
