Module content

This module will introduce the students to the world of entrepreneurship and its embedded process. It will contribute to the role entrepreneurs play in the socio-economic environment and likewise address certain applications of the field. The intention of this module is to explore the phenomenon broadly referred to as entrepreneurship; to make it easily understood as a business concept, readily accessible as a career option and practically applicable as a style of management within the realm of the entrepreneurial mind-set.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
