### Module content

The course aims to build a pragmatic approach to developing successful businesses in and with India. It includes four components. The first component would aim to help delegates develop a comprehensive understanding of the context of India through the use of multiple lenses including historical, social, political, administrative and institutional and commercial. The second part would focus on developing common themes based on discussion of real cases (small cases) of success and failures of MNCs in India. The third section would focus on conversations with experienced professionals from MNCs, consultants, political and social experts to further sensitise the delegates on the challenges of doing business in India. The last section would comprise of each delegates' personal reflections in developing an approach to doing business in India.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
