### Module content

Strategy has become a key concept associated with organisational success or failure. Through a case method approach, this elective will provide students with a more in depth perspective of the current best practices for developing and executing strategy in the current business environment and will build on what was covered in the core curriculum. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
