### Module content

This elective will students the opportunity to engage with cutting edge issues in the field of research and how to gather evidence for business decisions. This elective will focus on what the most current trends or theories in a variety of fields are and will build on from the knowledge gained through the core modules. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
