Module content

Operating across geographic and cultural boundaries is a reality in today's globalised world, and this module explains how to manage the multinational to support the achievement of strategic objectives in the international environment. This module deals with how line managers should engage with people, both employees and consumers/clients from different countries and cultures to achieve optimal performance. It uses a holistic approach and therefore includes operational or strategic elements that may need to be changed in response to employee and customer/client needs.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
