Module credits	6.00
NQF Level	09
Contact time	28 contact hours per 3 week cycle
Language of tuition	Module is presented in English
Department	Gordon Institute of Business Science
Period of presentation	Semester 1 or Semester 2

Module content

This elective is intended to give participants a robust understanding of the key features and mechanisms relating to project finance, skill them with the ability to interrogate models in the evaluation of project finance transactions, and apply critical thinking in the risk management of projects. The role of infrastructure in enabling higher and broader based economic growth in Sub-Saharan Africa is considered together with the appeal of infrastructure as an asset class.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
