### Module content

Learning about the various approaches to dealing with individual and organisational change lies at the heart of this elective. In particular the focus will be on the hidden dynamics in the challenge to change. This programme integrates the work of Neuroscience; Nancy Kline's Thinking model and the research conducted at Harvard University by Robert Kegan and Lisa Laskow Lahey on the theme of "Immunity to Change".

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
