### Module content

This elective offers you an opportunity to synthesize what you have learned from your career, life and experiences while on your MBA journey, and as it relates to your own diversity and inclusion experiences. You will evaluate your own identity with regards to your own mindset on diversity and inclusion. The elective will assist you to identify a growth path for your individual development as well as your company's development in diversity and inclusion practices. You will identify strategies for support and inclusion in organisations. The elective will offer insights into unconscious bias against people from different social groups than you.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
