Module content

This elective is for students have a strong desire to launch their own high-growth innovation driven venture, and seek to develop their attitude, skills and knowledge regarding the process and practice and entrepreneurship. The course guides students through the process of ideating, conceptualising and pitching a start-up venture. The course makes extensive use of The Lean Start-up, the Business Model Canvas, Disciplined Entrepreneurship, and other contemporary models and theories that have been shown to be associated with successful start-up ventures.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
