

University of Pretoria Yearbook 2022

Applied nutrition in exercise and sport 702 (HNT 702)

Qualification	Postgraduate
Faculty	Faculty of Health Sciences
Module credits	15.00
NQF Level	08
Programmes	BScHons Sports Science
Contact time	1 hour per week
Language of tuition	Module is presented in English
Department	Human Nutrition
Period of presentation	Semester 1

Module content

Nutrition plays an important role to achieve optimal health and performance of athletes. In this module theoretical principals of sport nutrition are illustrated through practical application in sport specific scenarios. Sport nutrition-related phenomena are discussed, e.g.iron deficiency anaemia, female athlete triad, nutritional matters of gastro-intestinal distress in athletes, and nutritional approaches to changing anthropometric indicators.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
