Module content

This module aims to equip students with the skills for advocacy of and to conduct research on sexual and reproductive health issues, with a view to the realisation of these rights and the rights of sexual minorities in Africa. Topics include:

- Defining human rights violations
- Analysing root causes of human rights violations
- Social sciences research methods
- Investigating facts and gathering evidence
- Conducting interviews
- Strategic thinking including developing strategic partnerships
- Advanced legal reasoning and legal writing
- Strategic impact litigation
- Negotiation and mediation
- Media advocacy
- Engaging government and other stakeholders
- Conducting a practical exercise as simulation of an actual intervention to decrease stigma and increase sensitisation and acceptance of the rights of LGBTI communities in the context of the country in which the students find themselves.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
