Module content

This module deals with inclusive teaching for accommodation of all children in the early childhood care and learning environment, according to their diverse needs and backgrounds. Linked to the Education (OPV) 312 (the local and global context, diversity and social justice), the main areas of focus of the module are teaching and support strategies that accommodate the learning and support needs of young children with diverse needs; curriculum adaptation and differentiation; international and local policy frameworks on inclusive education; learning theories related to inclusive education, the gifted child and child with challenges; barriers to learning and development; assistive technologies and their effective use to enhance learning and teaching; classroom management approaches that promote inclusive education; learning environment for inclusive education; and ethical principles to promote social cohesion.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
