Language of tuition	Module is presented in English
Department	Early Childhood Education
Period of presentation	Semester 1

Module content

This module focuses on Emergent Literacy, which involves the knowledge, skills, and attitudes that young children develop with regard to reading and writing during the phases of their early childhood. The main content areas of focus of the module include integrated emergent literacy approach; emergent reading and writing; competencies related to emergent literacy, such as the oral (expressive/speaking and receptive/listening) language aspects, visual literacies (viewing and drawing), print and recognition of the meaning it carries; basic alphabet knowledge and early phonological awareness; contextual factors that influence development of emerging literacy; and supporting emergent literacy through play.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
