### Module content

Biokinetics is the practical application of the biological contents that are discussed in other modules in the programme. It deals with preventive medicine, the rehabilitation of abnormal health situations as well as the maintenance of a healthy lifestyle after rehabilitation. (3 hour contact time per week with work assignments for the following week.)

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
