Module content

This module has three components: a) research methodology and dissertation, b) music therapy theory which includes general music therapy theory and broader theories of therapeutic practice, group theory, community music therapy, clinical pathology, neuropsychology and ethics, c) clinical studies which include clinical resources, documentation and assessment and an introduction to the other Arts Therapies. The student is required to pass each component separately with a minimum of 50% in order to comply with the requirements of the degree.

Furthermore, the student is required to complete a supervised clinical internship of 1 000 hours, assessed in accordance with the Minimum Standards of Training as set out by the Health Professions Council of South Africa.

The student will only be eligible for registration with the HPCSA upon passing both MUZ 886 and the clinical internship.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
