### Module content

A comprehensive and advanced report on an approved project. Expert, highly specialized and advanced research, both across the major discipline and interdisciplinary. Planning, resourcing, managing, and optimising all aspects of processes engaged in, within complex and unpredictable contexts. Complete accountability for determining, achieving, evaluating, and applying all personal and/or group output. Academic leadership and senior managerial occupations. In-depth knowledge in a complex and specialised area. The generation, evaluation, and synthesis of information and concepts at highly abstract levels. The creation of responses to abstract problems that expand or redefine existing knowledge.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
