### Module content

\*NSK modules from an integral part of the coursework MA programmes and are compulsory for all students who are selected and admitted to these specialised programmes. These modules are closed and may not be taken by students who are not selected for the respective programmes.

A number of issues relating to qualitative research are addressed. At the end of the module, students should be able to engage critically with the paradigm both from a theoretical and practical perspective.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
