### Module content

This module will focus on the role and responsibility of assurance providers for the assurance of Integrated Reports. To accommodate non-accounting students, the module will firstly investigate the basic principles of auditing before applying these principles in a sustainability assurance environment. Finally, the challenges that integrated reporting poses to assurance providers will be investigated from practical and academic perspectives.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
