Module content

This module will provide students with detailed knowledge and understanding of the underlying policy and diverse provisions of the Competition Act 89 of 1998 (as amended) as well as practical guidance on the application thereof. The following aspects will be dealt with within the context of international comparative competition law:

- Introduction to competition policy, jurisdiction and the structure of competition authorities
- Economics of competition law
- Relevant aspects of markets and market power
- Horizontal agreements and restrictive horizontal practices
- Vertical agreements and restrictive vertical practices
- Abuse of dominance
- The Competition Act and price setting
- Exemption applications
- Merger assessment
- Merger regulation: legal and procedural aspects

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the

General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
