Module content

The study of South African politics with reference to political institutions, the political process, political issues and policy. The emphasis is on recent events and developments in the national and international political environment. Emphasis is placed on political parties, organisations and institutions, the political system, the development of the political system, system adaptation, transformation and legitimacy, influences on the political environment, elections, political leadership, policy and the development of policy.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
