

University of Pretoria Yearbook 2022

MScAgric (Animal Science) (Livestock Production and Ecology) (02255009)

Department Animal Science

Minimum duration of study 2 years

Total credits 180

NQF level 09

Programme information

The curriculum for the MScAgric degree consists of a dissertation of 180 credits.

An MScAgric degree in Livestock Production offers students the opportunity to investigate, compare and improve the different livestock production systems in South Africa and or Southern Africa. In these research projects, aspects of climate change, water quality and sustainable development goals, relevant to livestock production may be included and could address research questions across nutrition, animal breeding and animal welfare.

Also consult General Academic Regulations G30-G41.

Residence

On the recommendation of the relevant head of department, the Dean may set specific residential requirements for the MScAgric degree.
